Dear Parents/ Caregivers,

Education Outside of the Classroom

At St. Oran's College we take particular care to ensure that Parents/ Caregivers are kept fully informed of our education outside the classroom programmes, and sporting and cultural events held outside of school hours; and that girls of the College participate in these with your full approval.

To date we have experienced full support for these outings and consider that it may be more convenient to ask parents to sign **one** permission slip for all such curriculum based experiences during their daughters' time at St. Oran's College. You will, of course, continue to be fully informed of such events such as overnight stays, or trips where particular issues of safety need to be addressed. If you are happy with this concept, please fill in the form below and return to the Tutor teacher.

Yours sincerely,

A. D. Ackroyd

Principal

I/we give permission for our daughter/daughters _____ to participate in school outings during her/their time at St. Oran's College, including sporting and cultural events, which may involve bus travel, transportation in the College Minibus, Minibus taxi, staff vehicles or walking to venues within reasonable distance of St. Oran's College. I understand that for out-of-school education involving overnight stays and particular issues of safety, I/we will be informed and my/our permission sought.
